## Call for Scores

### New Music from Ukraine

Since our performance in 2019 at the Kyiv Bouquet Festival, *Ensemble Proton Bern* has enjoyed a friendship with Ukraine and its artists. The current war and the unspeakable suffering affect us deeply. We want to shake off this state of shock and help the country be heard, which is why we are dedicating a concert of our 2023 season to the work of Ukrainian composers. We are announcing a call for scores with the following guidelines:

Duration: max. 15 minutes (\*incl. all auxiliary instruments, please contact [info@ensembleproton.ch](mailto:info@ensembleproton.ch))
